

Image of the Beast

After learning who and what the real beast is, and where its number 666 came from, it becomes easier to find out who and what the Image of the beast is. Just as the beast was created by mans disbelief and disobedience of laws, so is the Image likewise created by false belief.

As had to be done in finding out the truth concerning the beast, again to find the beasts Image we must go back several thousand years in history to the roots that lead to the beast and his Image. However this time certain events, times, and places will be brought out in more precise detail, in order to make all things very clear.

As shown in the transcript of the beast, 4,000 years ago (2,000 B.C.) God split the yellow race of mankind into two different groups as they came down out of the north into the plains of Assyria. The main body of the yellow race (called Chaldeans) under the name of Nahor (Abrams brother by blood), began building their cities and power from the land of Chaldees (Havilah, about where Moscow is today), down into Babylon of Assyria, Gen. 11:28-31, 15:7, 2Kings 24:1-2, 25:1-26, 2Chron. 36:17, Ezek. 1:1-3. God told Abram to take his household (which included all people who would follow him) and leave the land of his people, Gen. 12:1-5. Abram came into the land of Canaan and Egypt, it was here that God made the covenant (contract or deal) with Abram, and changed Abrams name to Abraham, Gen. 17:5. The contract (covenant) between God and Abraham was, that "if" Abraham would circumcise all his people and anyone who came to follow him, God would multiply Abrahams seed and give them a land, (the promised land, and the morning star at the end of the day, the fourth day, Rev. 2:28) Gen. 12:10-20, 15:7-8, 17:1-12-13-26-27.

Abraham became known as a Hebrew (no longer a Chaldean), after he made the covenant with God. Hebrew meant follower of God and his laws, and circumcision of the flesh was a sign (symbol) meaning a person had been taught the laws God gave man, and in belief were following those laws. Circumcision had the same meaning as baptism is suppose to mean to Christians today. It meant you had been taught the true laws and were following them in true belief of God, Romans 2:23-29. The act of cutting off the foreskin or being ducked under water is only a sign (to people) you know the laws and intend to obey them. The majority of people are liars, therefore circumcision or baptism does them no good, except to help lead other people, and their own children into hell with them. At the end of the fourth 1,000 year day the Hebrews had built a nation (under the laws of God, they said) in Rome and Greece (called spiritually Israel and Judah) and became the fifth power of that day, with Tyrus in the land of Tarshish (Atlantice) being the fourth power of that day. After two big wars and before the third and last war of the day, God sent Elijah (a savior, the morning star), to the Hebrews, but the vast majority of people refused to listen to Elijah, and the kings wife Jezebel tried to have Elijah killed, 1Kings 19:1-3, Rev. 2:20-21,28 (this was the fourth church called Thyatira). To save Elijah from Jezebel and the people of this earth God took Elijah into the second heaven, 2Kings 2:11-12. And instead of giving the Hebrews "the morning star" as God said he would "if" they obeyed the laws he gave them, God gave them a destroyer, which was a part of the comet which later became known as the morning star (the planet Venus). The part of the comet which came to earth and sank Atlantice (Tyus) would never be a part of the morning star again, Isaiah 14:12-13. This brought the fourth day to an end.

Hebrew meant follower of God, through the teachings of Abraham (and Jacob), down and through the Ten Commandments given to Moses. Circumcision was a sign to other people you belonged to and followed the believers of God. Hebrews were a mixed group of people, mostly yellowish because basically they came from the yellow race who were in power during the fourth 1,000 year day. All of Abraham's descendents were a mixed people; Hagar (Sarah's hand maid) was an Egyptian (a black concubine), Gen. 16:3. All 12 sons of Jacob married woman of the land, Joseph married the daughter of an Egyptian priest, Gen. 41:45-52. The people Moses brought out of Egypt also brought out a mixed multitude of people with them and they too were circumcised into the laws, as were any and all people who wished to join them, Ex. 12:37-38-50. Hebrews were mixed people in the fourth day who said they believed in God through Abraham and Moses, but were mostly people from the yellow race.

Out of all the world population at the end of the fourth day only a few people (all of them from the poor and working classes) accepted Elijah and his teachings as being from God, Elisha was one of those people, 2Kings 2:12-15. These few people who did accept Elijah, were all Hebrews (the

true adopted), but to separate the true believer (Hebrew) from the false Hebrew, the true believer became known as an Israelite, meaning believer through Elijah (who taught circumcision under the ten commandments, the same as Moses), all who still claimed being Hebrews were false believers.

Because most of the true Hebrews (now called Israelites) were in and around Greece (Judah) and Rome Italy (Israel) which had been the fifth power at the end of the fourth day, it was Greece which (after several years) first came back into being a world power at the beginning of the fifth 1,000 year day. Since the vast majority of people continued to disobey and misuse laws (even though calling themselves Israelites), Gods spirit went through the people from Greece into Egypt (mixed yellow and black), then from Egypt (second power of the day) into Ethiopia (the third power of the day). While this was happening (in about the middle of the day), part of the black race from Africa and Ethiopia went into Babylon driving the last of the yellow race out and became the fourth power of the day. During the last half of the day Israelites had spread from Greece, Egypt, and into Ethiopia, in large numbers. From Ethiopia very large numbers (with help from Egyptians and Romans), came in and took over Greece (calling it Rome) and they became the fifth power of the fifth day. These people (calling themselves Israelites) being mostly blackish (most coming from Ethiopia) were a mixed people (or nation) and after two big wars it was to these people (Israelites) God sent Jesus Christ at the end of the fifth day and before the third big war of that day. The blood descendents of these people are today called Turks (Turkey), having married into the white race around the black sea and the red race to the south and east of them for the last 2,000 years. Their skin color is much lighter than it was 2,000 years ago. The vast majority of Israelites in the Greek nation who claimed to be following the laws of God through Elijah (or Elisha), (started more than 1,000 years before them in Rome, the seat of democracy) refused to accept Jesus as a son of God, calling him a traitor and malefactor (criminal). They were in the nation of Greece (Judah) St.John 12:20, St.Luke 20:19-22 (history proves Caesars were national leaders in Greece) St.Luke 2:1-4, the Israelites were a mixed nation of people, mostly blackish, Acts 13:1 (Simeon was called Nigar). The Israelites were spiritual descendents of the Hebrews through the nations of Greece and Rome (Latin), the three languages used to write King of Jews above Jesus' head, St.Luke 23:38, St.John 19:20. Jesus came to the Israelites (St.Mark 15:32) who were a nation of people in Greece (thinking it was Rome, where Solomon built the temple 1,000 years before) Acts 6:1. Jesus Christ did teach the laws of God which came down through the teachings of Elijah and Elisha, St.Luke 4:16-17-22, and the Israelites were expecting Elisha to come back to earth, St.Luke 9:8, and Jesus called one of his disciples a Israelite, St.John 1:47. When Jesus gave up "the Ghost" that day ended and the Persian Empire in Babylon was destroyed completely, which was the fourth power of the fifth day, St.Luke 23:44-45 (the temple is a symbol meaning nation being served).

The tribulation days right after Jesus Christ was taken are also called the days of unleavened bread, meaning a person gets nothing he wants, and is very, very lucky just to get what's needed to survive, Acts 12:1-3. This was the beginning of the sixth 1,000 year day, and since the Israelites were the fifth power of the fifth day, and inside that nation was where most of the few called the adoption (true believers) had gathered, then after several years they became the first world power of the sixth 1,000 year day. The true Israelite became known as a Jew, in order to separate them from the false believers (Israelite). And again, because the vast majority of people will not obey laws (even those claiming to believe), Gods spirit, moving through people, went from Rome into Arabia to make it the second power of the sixth day, from Arabia the spirit went into India (also called Nineveh) the red race making the third world power of the sixth day, the book of Esther 1:1. It was people coming from India who built Mecca (the fourth power of the sixth day) which was on the eastern border of Ethiopia. While all this was going on the Jew was multiplying, especially in India. About the middle of the sixth day, Jews began gathering in Spain, from Rome, Arabia, and mostly from India, to build the fifth power of the sixth day. Being mostly from India, the people of the nation of Spain (Jews) are reddish color of people. After two big world wars of their day and before the third war, God sent St.Paul (in the name of Jesus) to the Jews in Spain 1,000 years ago, at the end of the sixth day. The story of St.Paul is shown in the transcripts of the beast (as some people would say, Paul was the second coming of Christ). But when Jesus Christ left this earth there were two 1,000 year days left in the second week of this earth (and as shown in Rev.11), one prophet for the end of each day coming in Christ's name, Rev. 20:1-6 shows the

2,000 years given to Christ. Spain was the fifth world power of the sixth day, but they claimed to be Jews under the church in Rome. The vast majority of people in Spain and Rome refused to accept him and his teachings as coming from God through Christ (in spirit). The people called St.Paul crazy, a criminal, and Beelzebub prince of devils (the same as people had done to Jesus Christ 1,000 years before at the end of the fifth day) St.Matt. 12:24, St.Luke 11:15. St.Paul was crucified in the same way Jesus had been crucified by people. Paul's name at first was Saul (Acts 13:9), came in Christ's name (Acts 9:22). Paul and his followers did preach the laws of God through Jesus Christ (Acts 5:41 and 42), and Paul did suffer crucifixion, Galatians 6:14-17-18. When St.Paul gave up the Ghost (spirit) the third war of the sixth day came down and Gods judgment of that day was given. Mecca (the fourth power of the day) was totally destroyed and civilization was destroyed going into what mans history calls the dark ages, St.Matt. 27:50-54, St.Mark 15:37-39. The name on the cross above St.Pauls head said "Jew" and not in other languages, St.Matt. 27:37-38, St.Mark 15:26-30. This ended the sixth day of the second week of this earth.

It was the false Jew in Rome (the high priest and those in charge of the church of Rome) and the false Jews in Spain (and their leaders) who built the nation as the fifth power of the sixth day, who refused to accept St.Paul and the true teachings of Christ, condemning and executed him as a criminal. To separate the true believers (Gods adoption) from the false Jews, the adoption started being called Christians at Antioch (Greece) Acts 11:26-30, leaving the false Jew behind in their false beliefs.

During the days of unleavened bread (tribulation) following St.Pauls death (on this earth) which was the beginning of the seventh day (today), the few Christians (as compared to world population) were scattered out among the world nations, but most were in and around Spain. So Spain became the first world power of today (the seventh and last day of the second 7,000 year week of this earth) after many years. Since the majority of people still refuse to obey laws and truly believe in God, the true Christians and the spirit of God moved from Spain into France (a mixed people, mostly between red and white races) making France become the second world power of this day. From France the adoption (true Christians) and Gods spirit (in the Christian) moved into England (the white race) when false Christians became the power of France. England became the third power of this day in about the middle of the day, while all of this was taking place, another part of the white race from around the Black sea (who claimed to believe in the church of Athens Greece) moved with some of their leaders and priests (from Athens) into what had once been the home (land) of the yellow race, (until the end of the fourth day 3,000 years ago, 1,000 B.C.). This is the area around (what we today know as) Moscow Russia and they started becoming the fourth power of today by taking over half the land that truly belongs to China, the yellow race. During the first six or seven hundred years of this seventh day, the false believers in the church at Rome, in Spain, and in France, (who had slipped into churches and offices of power) now calling themselves Christians, tried to stop the true Christians from spreading (multiplying). The church in Rome tried to stop and control the true adoption from following the teachings of God through Christ and St.Paul, by using their offices of power in Spain, France, and England (throughout all Europe). The mother church in Rome, called the followers of St.Paul criminals, evil, witches, and descanters of the true church, and set out to stop them in what mans history calls the persecution of the churches, stealing peoples businesses, property, and land, throwing people into prison, assaulting and raping men, women, and children, killing some people by burning them at stakes and other forms of horrible death. In Rome those people of the mother church and in offices of state (nation of Italy) called their sick, poor, and working people (who didn't follow them), Jews, criminals, evil, the hated killers of Christ. This was to make other nations and peoples believe they were the true people of the mother church, when in truth it was they who put St.Paul in prison and to death, and were trying to blame others (their poor people) for having done it. IN the eyes of God, those who did the persecuting were the real witches and devils, this is the main reason God had never let these people know they are setting over the second temple of Solomon, Acts 5:12-14-16, St.John 10:22-23, this temple is the one built over the second temple of Solomon in Rome (called Jerusalem "Gods leading city" in Solomon's day) and is the one that had been built by Solomon to keep the ark in forever, (1Kings 8:12-13).

Out of the third power of the day is where the fifth power takes the laws and most of its people from in each day. The adoption, by following Gods spirit, comes from previous powers of the day (by passing the fourth world power, since it no longer claims to believe in God and has turned to the teachings of man), the third seal had the set of scales to measure two things with (which is the fourth power? Russia or England, and which carries the adoption?). The U.S.A. is the fifth world power of the seventh day, two world wars have passed and the clouds of world war 3 are gathered, so it is time for the second prophet of Rev. 11 to make as appearance and be taken off the earth as it says in Rev. 12:5, since man has not believed in God and obeyed the laws God gave man. The fifth power of today says it's under God, are mostly so called Christians, is mostly a whitish group (as it should be) (since the first is also last), and this nation is doing more evil in Gods name than any nation before it.

The first four days of the second week of this earth were given to what some people call blue bloods (not mixed blood), the first day between Adam and Noah is counted to the white race, the second day between Noah and Lot is counted to the red race, the third day between Lot and Abraham is counted to the black race, the fourth day is counted from Abraham to Elijah for the yellow race, and it was to them the bible says was given the last quarter of the earth, Rev. 6:8. This leaves three days to the end of the seventh day. The fifth day from Elijah to Jesus Christ is the first of the last three days of mixed races, from Jesus Christ to St.Paul is the second of these three days, from St.Paul until now, is the last of these three days of mixed races, making seven days of a second week. It is for this reason it says in Rev. 12:4 that the red dragon (communist China) drew a third of the stars out of heaven, it's the last of the three days of mixed races. Out of the 12 tribes of Israel, at the end of the fifth day Greece (Judah) was judged and scattered, Spain under Rome (Israel) was judged and scattered at the end of the sixth day, that leaves 10 tribes not yet judged. Since democracy started in Rome over 3,000 years ago, and the U.S.A. is made up of all races, nations, and religions, then as long as true democracy is upheld in this nation, she (the nation) represents the woman with 12 stars in her crown, Rev. 12:1. The woman clothed in the sun, meaning she is the worlds biggest power and inside of her are Gods true adopted. Standing on the moon means she second to none, this represents Russia (the second biggest world power). When the nation loses true democracy, then only ten tribes are represented and the nation becomes the beast with 10 horns, at the end of 7 days (1,000 year days) symbolized as 7 heads, and is at its seventh time in events of the day, symbolized as 7 crowns, Rev. 12:3. Appearing as a dragon, means the nation has come under communism (belief in mans own knowledge and power). This is also why it says in Rev. 11:13 that at the same time (hour) the last prophet leaves the earth, a tenth part of the wall fell and of men were killed 7,000. Democracy representing all 12 tribes is the world's wall of protection, two tribes lost when democracy is gone leaves 10, and another last time of judgment, it's of mans years that 7,000 have gone, ending the second week of this earth.

The names Christian, Jew, Israelite, and Hebrew, are names given to certain people during a certain period of time, who claimed to believe in God and all the laws he gave man, following a certain prophet God gave the laws through. Gods chosen adopted people, during the last period of time (1,000 years) are called Christians, not Jews. There are Jews today simply because some people call themselves Jews and other people agree to it, but if a person who says he is a Jew has accepted the New Testament and its teachings, which came down through St.Paul and Jesus Christ, then that person is a Christian. Even though calling himself a Jew, the same is true for any person anywhere in the world, (even a communist), if he truly believes in and follows the teachings of God in the bible and it's New Testament.

As I have written in the transcripts of the beast and the image of the beast, which according to all histories, the bible, and as the spirit of God has shown me, Jerusalem was Rome in the day Solomon built the temple of God to put the ark in, and the land around it was Judah. And as I've shown it in the transcript of the beast, Jerusalem is a spiritual city where the adoption build a power under God for all people, and it moves from one place to another when the adoption are moved, being driven out by false believers. Therefore Washington D.C. is today's Jerusalem and the U.S.A. is today's land of Judah, St.Matt. 24:4-15-16-28. Christians are Gods chosen people of today.

Since this is true, then the place people call Jerusalem and the Holy land of today is false, and calling the people Jews (or Israelites) Gods chosen people is also false. And there is more direct

way of showing this than what it took to write this entire transcript, but it takes the transcript and the bible to understand all of it.

In the book of Daniel (12:11-13) it speaks of the daily sacrifice being taken away and the abomination that maketh desolate set up. The daily sacrifice is the last true son of God taken off the earth at the end of each 1,000 year day, like Elijah, Jesus Christ, and the two prophets of Rev.11. The abomination that makes desolation is the third and last great war of each of those 1,000 year days. Within the hour of the prophets leaving the third big war of the day comes down and begins the three and a half years of tribulation, Daniel 12:11 (1,290 days), Rev. 12:6 (1,260 days) verse 14 (a time, and times, and half a time), these days are also the days of the prophets prophecy (prophecy means of a time to come) Rev. 11:2 (42 months) verse 3 (1,260 days).

In St.Matt. 24:15, when it is telling of the abomination of desolation, it also says "stand in the Holy place"(who so readeth, let him understand). In St.Mark 13:14, when speaking of this same time, instead of saying "stand in the Holy place" it says "standing where it ought not" (let him that readeth understand). In St.Luke 21:20-27, it is still talking about this same time and telling those in Judea to flee into the mountain when they see the time of desolation coming down, for afterwards they will see the son of man coming in the clouds. St.Luke does not say "stand in the Holy place" nor does he say "standing where it ought not" St.Luke calls the place Jerusalem. Therefore putting all these places together as should be done (and understanding what's read) we understand that "Jerusalem", "the Holy place", "is where it ought not" stand. As for the Jew and their place in the world of today, they are like all other people who have not accepted God and Christ through the teachings of St.Paul in the King James Bible (since it is the King James Bible his teachings of the New Testament came into print). Jews are just people like the American Indian and Chinese. But the world of people do owe all these kind of people a big debt for having used them and taken their lands. Any person, Jew, Indian, Chinese, or whatever, is a Christian if they have accepted the teachings of God in the bible, its New Testament, and truly believe in and obey the laws of God.

However the U.S.A. is responsible for all acts of those Jews who are in what people call Jerusalem and Israel. It was the United States who after WW2 placed the Jews in a small area west and south of what people call Jerusalem, in the east bank of the Mediterranean Sea. Because of all the false beliefs of man (especially the Jew and Christian), the U.S.A. told the Jews and the world that the land of Israel belonged to the Jews in the first place (according to the bible, they said). Jews and Christians all over the world (especially in the U.S.A.) started sending people, material, money, and all kinds of support to help Israel build and grow. Big business and politicians (especially in the U.S.A.) out for a big fast buck jumped into this huge gold mine with both feet, supplying all types of military and economic aid (at a price) and used tax money to do it with, getting rich and building big names for themselves. (Until the last few years, when Israel got way in debt to the U.S.A.).

Israel is a big responsibility of the U.S.A., to see that no nation takes advantage or over runs Israel, in Gods eyes we are responsible for their lives. At the same time Israel would not be as they are today if not for the U.S.A., Christians and Jews, so the U.S.A. is also responsible for any breaking of democratic laws inside or outside of Israel by its people. The U.S.A. is responsible for any breaking of laws that harm, steals, or kills anyone inside or outside of Israel, by its people, especially to their own sick, poor, and working people (which includes all people in or out of their nation, even enemies). The sword of God cuts both ways, only by obeying all true democratic laws (which are based on the Ten Commandments) is no one unjustly cut.

Germany in WW2 was the first beast in Rev. 13:1-10, because in another way it was the seventh event of this day, 1-Spain, 2-France, 3-England, 4-Russia, 5-U.S.A., 6-WW1, and 7-WW2. But the U.S.A. is the real beast by following in the same path and powers. The place people call Jerusalem and nation called Israel is the Image of the beast. After WW2 the beast (U.S.A.) set the image up (Israel), giving it life to be, supports and protects it (in the wrong way calling it Jerusalem and the Jews Gods chosen people, all on false beliefs, Rev.13:11-15-18). Both the beast and its image are neither one obeying laws of true democracy in the constitution that are based on the laws God gave man. The U.S.A. and Israel are both liars and hypocrites as God says Satan is, both have the knowledge, wisdom, riches, and power to turn back to the right laws, but refuse to give up any of their stolen wealth and power. So they remain the beast and its image, instead of being the king and priest of God they could be, thereby will lose all.

For the salvation of this earth and all its people, church and state should not be separate. It is by laws people obey and support that people, nations, and the world are judged by God. If a person supports and obeys laws of a nation that is not of God, then who is the person really obeying and supporting when obeying and paying tax to the law and law makers of that nation? A person both obeys and believes in God or he doesn't, there is no in between. And if a person supports and obeys what a nation or another person tells him and it's wrong, how can that person be obeying God? Can a liar or a hypocrite tell one of Gods people what is right or wrong? And what to do or not to do? Can evil lead good, and to salvation? The U.S.A. under all its people had left God out completely, the price is total destruction as he tells us in the bible it will be, 2Peter 3:9-17, Isaiah 24:16-23, Rev. 20:11-15. Only a few (according to world population), the adoption, will be saved and taken to a new earth, after the three and a half years of tribulation, this is the price they must pay for having sit still and done nothing to honestly help anyone or to straighten the nation up and just going along with it.
